### Sour grapes, or lush fruit?

This parable is strange. Parables do get us thinking.

The landowner who sets up the vineyard and leaves all to the lessees is extravagantly trusting.

The tenants certainly abused the abundant trust put in them. We are incredulous that the tenants would think they could take over the inheritance by murdering the heir. There is a lot of violence.

The listeners are hooked into the story in response to the question, 'when the owner comes, what will he do to those tenants?'

Jesus flips metaphors to rejected stones and keystones which we can understand.

But, 'this is the Lord's doing and it is wonderful to see?' That can again have us scratching our heads.

The parable is unfinished, as they always are. Do the listeners change their ways? How are we accepting the kingdom and producing fruit? Are we marvelling at the ways of God in our lives?

They say pinot noir grapes are the hardest to grow. I prefer a shiraz or cabernet sauvignon ripened by the summer sun. They are a mid to late season harvest. That might be about where I am 😊 **Fr Gerry**

**WORLD HOMELESS DAY:** The concept of 'World Homeless Day' emerged from online discussions between people working to respond to homelessness from various parts of the world. The Inaugural World Homeless Day was marked on the 10th of October 2010. Since its founding, World Homeless Day has been observed on every continent except Antarctica, in several dozen countries. Use of the idea of 'World Homeless Day' is open for all to use... anywhere in the world.

**Purpose:** The purpose of World Homeless Day is to draw attention to the needs of people who experience homelessness locally and provide opportunities for the community to get involved in responding to homelessness, while taking advantage of the stage an 'international day' provides – to end homelessness through improved policy and funding.

**POPE FRANCIS NEW LETTER "LAUDATE DEUM":** *"Once and for all, let us put an end to the irresponsible derision that would present this issue a something purely ecological, "green", romantic, frequently subject to ridicule by economic interests. Let us finally admit that it is a human and social problem on any number of levels. For this reason, it calls for involvement on the part of all. In Conferences on the climate, the actions of groups negatively portrayed as "radicalized" tend to attract attention. But in reality they are filling a space left empty by society as a whole, which ought to exercise a healthy "pressure", since every family ought to realize that the future of their children is at stake."* **Pope Francis**

**OUR LADY OF THE ROSARY—The Joyful Mysteries.** When we pray the Holy Rosary, we

enter into the mysteries of the Life of Jesus Christ and his Mother. We are called to meditate on each Mystery, contemplating its meaning in our lives or in the life of the Church. The Joyful Mysteries are prayed on Mondays and Saturdays, **Prayer intention for this week:** *That the love of the Blessed Mother and the Christ child may*

*be a source of strength for every expectant mother, especially mothers living in poverty, and that they both will be surrounded by joy and love. In the birth of every child we see the birth of Christ Jesus in the Bethlehem stable.*

Tuberculosis, malnutrition and maternal mortality are conditions all too familiar for the people of Timor-Leste. In two weeks' time you will learn about the work of the Salesian Sisters, including nurse, Sister Carolina, who desires to see better outcomes for her community. We will also share the story of Petrolina and her daughter's desperate need for medical attention.

**You have the opportunity to partner with this life-giving work, and your prayers and generosity are crucial in ensuring this program can continue.**

This opportunity is a great way to commit to the missionary movement, as He reminds us in Luke 24:13-35, the fire of Christ burns within us and encourages us to take action for those in most need.

# The Education Ministry of Jubilee Catholic Parish

St Finbarr's School, Ashgrove. St Joseph's School, Bardon. St Ambrose School, Newmarket

Be you. Be kind. Belong

We have welcomed back our wonderful students and families and we have had a great start back to Term 4 at St Finbarr's. It was lovely to hear all the many exciting holiday stories and special events that took place over the holidays including participation in sporting events, leadership days, family camping trips, and relaxing holidays at home. We also welcomed back Mrs C after her exciting time away studying and travelling in Belgium. She was learning about Catholic Identity at the oldest Catholic University in the world in Leuven.

We are now looking forward to all the many exciting celebrations and events that we have happening this term including Grandparents Day, Yr 5/6 camp, Prep Orientation Day and our whole school Christmas Concert. It will be a very busy but exciting term, particularly for our Yr 6 students. We wish them well as they journey on their final term at primary school.

On Tuesday, October 4th, we united in celebration of St. Francis of Assisi Feast Day. The day began with a school-wide Mass, led by Fr. Marty, creating a spiritually enriching atmosphere.

Each year we celebrate the Feast of St Francis, one of our patron saints and remember the Franciscan Nuns who were the foundation religious order at St Joseph's many years ago. The teachings of St Francis, as a role model, reminds us to be caretakers of creation. Through our words and actions, we can be the face and heart of Jesus Christ by being instruments of peace.

Following the Mass, students participated in activities that highlighted St Francis' values of compassion, unity, and reverence for nature. Buddy classes joined forces, fostering a sense of community and inclusivity.

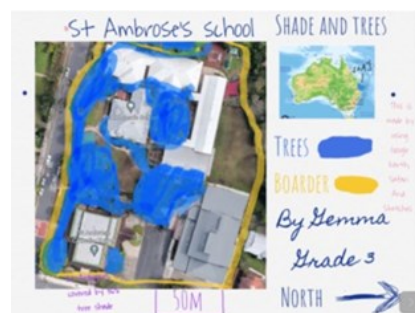

Our Year 4 students attended Luther Heights Camp on the Sunshine Coast this week. This camp provides our students with the opportunity to experience outdoor learning with a focus on the following key goals:

HOW COOL IS YOUR SCHOOL? St A's is VERY cool!

Congratulations to the students from Years 3 and 4 who entered this special mapping competition. During STEM lessons, students used drone and satellite images to create a colour-coded map of our school outlining which areas had no shade, which areas had tree shade, and which areas had building shade. After the investigation, the students determined that St Ambrose's School is covered by 36% tree shade. That's pretty cool! Students had to use the mapping conventions, "BOLTS", to display this information in an eye-catching way.

Special congratulations to Gemma in Year 3 for taking out the Year 3 year-level prize against over 400 other students. Gemma worked hard on her entry and was rewarded with her very own drone!

## Gloria

Glory to God in the highest and on earth peace to people of goodwill.  
We praise you, we bless you,  
We adore you, we glorify you.  
We give you thanks for your great glory,  
Lord God, heavenly King, O God, Almighty Father.  
Lord Jesus Christ, only Begotten Son,  
Lord God, Lamb of God, Son of the Father,  
You take away the sins of the world  
have mercy on us;  
You take away the sins of the world,  
receive our prayer.  
You are seated at the right hand of the Father, have mercy on us  
For you alone are the Holy One,  
You alone are the Lord,  
You alone are the Most High, Jesus Christ,  
With the Holy Spirit,  
in the glory of God the Father. **Amen**

## Apostles Creed

I believe in God, the Father almighty,  
creator of heaven and earth, and in Jesus Christ, his only Son, our Lord, who was conceived by the Holy Spirit, **(all bow)**

born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died and was buried; he descended into hell; on the third day he rose again from the dead; he ascended into heaven, and is seated at the right hand of God the Father almighty; from there he will come to judge the living and the dead.

I believe in the Holy Spirit, the holy catholic church, the communion of saints, the forgiveness of sins, the resurrection of the body, and life everlasting. **Amen.**
