A couple can discuss these options with the priest who is officiating at their wedding.

It is advisable to plan to do the marriage preparation three to six months before the wedding.

Wedding Musicians and Singers

Musicians and Singers

Liturgical and Sacred music are integral parts of your ceremony. The Parish has a number of dedicated and committed musicians and singers. They are fully versed in the music that is most suitable for a wedding. They will ensure a joyful celebration.

Of course a lot of modern love songs are appropriate for weddings, but they belong at the reception, not in the religious ceremony. CDs are not allowed. If you choose to celebrate your marriage at either St. Brigid's or Sacred Heart, the historical pipe organs will certainly add to the solemnity of your wedding ceremony. The following list of musicians is very familiar with weddings and our churches. They usually lead our Sunday mass celebrations – why not attend one of our Sunday masses when they are rostered to get a better idea of the possibilities for your wedding ceremony.

Frequently Asked Questions

What if a Catholic is Marrying a Person Who is Not a Catholic?

When a Catholic marries a Christian from another Church or a non-Christian in a Catholic church, the celebrant is required to complete an application for the necessary permission or dispensation.

Catholic partners are asked to promise to do all in their power to share their faith with their children by having them baptised and brought up in the Catholic faith. The Catholic party must inform the other partner of this promise and sign the declaration. No promise is required of the other partner.

The minister of the non-Catholic partner may be invited to participate in the celebration of the marriage in a Catholic church, for example, by reading from the Scriptures, leading a prayer, or blessing the couple.

Sometimes a Catholic will want to get married in another Christian church or outside a church. When there is sufficient reason, such a marriage for a Catholic may be recognized by the Catholic Church. This is a possibility you should discuss with your parish priest.

How Do I Make a Wedding Booking?

Please complete the Marriage Enquiry Form available from the 'Getting Married in the Jubilee Catholic Parish' page. Once you have completed the form email it to: weddings.jubilee@bne.catholic.net.au.

At this time you will also be required to pay a deposit of \$500. This can be paid by Direct Deposit – online to Jubilee Catholic Parish – BSB No. 064 786 Account No. 1000 17685 – reference wedding date/name. Once you have paid your deposit please send an email to the weddings email address mentioned above so we can keep a record of your payment.

Can we use confetti, rice, bubbles?

No. Please inform your guests that the use of confetti, rice, rose petals, bubbles or similar substances is not permitted in our church or in the surrounding precinct. Likewise, butterflies are not to be released.

Can I afford to be a little late?

No, most weekends there are several weddings or other ceremonies booked in our churches and these will commence on time. Also, on these days our priests normally have other commitments which cannot be changed or pushed back. From our experience, we would suggest that the bridal party arrives no later than ten minutes before the due start time of your wedding ceremony, which will allow time for the photographer to take the required photos.

Does the cost to use the Church include the music?

No, attached is a suggested list of musical contacts, both the regular organist and choir from St Brigid's, Red Hill are available to hire for your wedding ceremony. You will have to make direct contact with the Organist to make these bookings.

What flowers are provided?

The Parish provides one large floral arrangement for the church, this arrangement is placed under the altar and consists of a selection of white flowers with green trim. Our florist can provide additional flowers on request at your cost.

What time will the Church be available on the day of our wedding?

The church is normally available one hour prior to your start time. Weddings cannot start any later than 2:00pm at Sacred Heart, Rosalie and 3:00pm at St Brigid's, Red Hill and St Finbarr's, Ashgrove.

How do we access the Church on the day of our wedding and for rehearsal?

The church will either already be open or you may need to collect keys from the Parish Office. Parish Office staff are not generally available to attend the church on the day of your wedding.

Does my wedding ceremony have to be a Mass?

Our parish priests are asked this question a lot! The answer is no. When you get married in a Catholic church you have the option of a 'Wedding Ceremony' or a 'Nuptial Mass'. A Wedding Ceremony celebrates the Liturgy of the Word and includes gospel readings (which you select with your priest) and the Liturgy of Marriage, where you exchange vows and rings and the priest will pray a nuptial blessing over you. A full Nuptial Mass includes the above celebrations and is followed by the Liturgy of the Eucharist.

The parish will discuss these options with you and help you choose what's best for you and your family.

How do we put our Liturgy together?

For assistance in preparing your wedding liturgy you are able to purchase a copy a resource called 'The Wedding' which includes an electronic program that enables you to prepare your wedding liturgy very easily and gives you all the options. The cost is \$45 but well worth it, the resource can be purchased via the following link:
