32nd Sunday in Ordinary Time

Coinage: The Gospel last Sunday: love God, love your neighbour.

Today's poor widow demonstrates what loving with all your heart can look like.

She *IS* a model of discipleship. Trust in God and benevolent to the infrastructure even in its weakness.

In a way she also 'models' what Jesus will do in his Passion. Jesus will surrender all into the hands of God. Jesus' total giving "pays off" in royalty for all.

In what coin are we challenged? How we 'dress' ourselves obsequiously? Our generosity of time, talent, and treasure? Stewardship of God given resources?

The first reading return is, "jar of meal not spent, nor the jug of oil emptied." *Fr Gerry*

Splash: Saturday night at Rosalie, mother and daughter Carah and Grace, will be initiated into the Catholic Church. Carah will be fully initiated through Baptism, Confirmation and reception of first Eucharist. Grace has time to grow into the Church as the flame of faith is nurtured in her life.

Carah has been learning about the Church for some time. There have been a few interruptions because of Covid and other complications. With this immersion and fullness of the Spirit the road will continue to open before both of them.

From the walls of the baptistry of St John Lateran, the cathedral of the city of Rome.

"Here a people of godly race are born for heaven; the Spirit gives them life in the fertile waters. The Church-Mother, in these waves, bears her children like virginal fruit she has conceived by the Holy Spirit." Pope Sixtus III 5th Century C.E.

Many thanks to their Godparents Di, Ryan and Hailey. Also to Elizabeth for catechesis.

Congratulations to **Isabelle Clausen** who celebrated her reception of First Holy Communion this weekend. Isabelle is welcomed into the common union we share in at the table of the Lord. May she always know experience and live our communion with Christ. Thanks to her parents for their ongoing formation of their child in the faith.

Return: Fr Rony is back from his two-week holiday. Welcome back Fr Rony. Good to have you back!

Thanks to the Marists for filling in where we were short.

Prison Sunday: Prisoners' Sunday is the National Day of Prayer and action for prisoners and their dependants as marked by the Catholic Church and across the Christian denominations. It is a day to direct our thoughts and prayers to prisoners, their families and children. Prisoners' Sunday is the time to reflect on how we as individuals, as a Church and as a community are serving those affected by imprisonment.

Prisoners' families, prisoners and people with previous convictions, often find themselves on the margins of society due to the social stigma associated with imprisonment. The Archdiocese is grateful for the good work of Fr Tony and the terrific band of chaplains and other companions who minister in this area. They embody our Christian value of mercy and belief in the innate dignity of every human being.

A Prayer for Those in Prison Ministry

*God of all life,
Your son called us to be compassionate, just as You are compassionate.*

*And so we pray:
For our generous Earth,
Who, even when mistreated, continues to nourish and sustain us.
May we grow in mutual care.*

*For our suffering peoples,
Who, even when facing injustices, teach us resilience and hope.
May we grow in mutual care.*

*For each one of us,
Who, in times of vulnerability, draws on divine love and strength.
May we grow in mutual care.*

*For our prison ministries,
Which, in times of change, find new ways of reaching out and in.
May we grow in mutual care.*

*And may we be blessed and inspired
As we hear these words anew:
"For you had compassion for those who were in prison."
In the name of Jesus, gentle and humble of heart,
Amen.*

Book of Remembrance: During November our church particularly prays for 'those who have gone before us marked with the sign of faith.' On the sanctuary of our churches is a 'Book of Remembrance for you to note the names of your deceased relatives and friends.

If you come from a large family like mine, you may wish to simply note 'Deceased relatives and friends of the Kalinowski family.' You can note individual names if that is your preference.

These books will be placed strategically on the sanctuary with the Paschal Candle to pray for the life we hope they share in the resurrection. "God rescued us from the power of darkness and brought us into the kingdom of his beloved Son, and in Him we gain our freedom, the forgiveness of our sins." Colossians 1: 13

Remembrance Day
11 November

The November Community Morning Mass will be held on Thursday 18th November at Kennedy Tce, former St Bernard's Church. This will be the Final Thursday morning Community Mass for 2021. It will be followed by a **Christmas Lunch**. Cost is \$10 per person. Each person to bring a small Gift to the value of \$5 mark if it's for male or female Commencing at 10.30am. All Welcome!

For catering purposes, we need to provide the number of persons attending the Lunch. Please contact Norm Shrubsole on 3369 1107 if you are attending.

Refreshed, Relaxed & Reloaded: It was a quiet two weeks holiday. I was able to enjoy and explore the beauty of Brisbane- a multicultural hub for arts, culture and dining. The exciting visits were Canungra Valley, O’ Reilly’s tree top walk, City Cat ride, walks in Surfers Paradise, Somerset Dam, and some inland driving. Unexpectedly I got the chance to visit the parents and brother of Matthew Hayden- one of my childhood cricket heroes. I also visited some of our priests and stayed with them. Thanks to everyone who provided places to visit. At the end, I realized there were plenty of the places to be explored.

Sacramental Preparation: First Rite of Reconciliation for children Year 5 upwards. As these children are a little older than when they celebrated their first Communion their understanding of conscience and choices has also grown. This developing knowledge is nurtured in their taking responsibility for their actions and an appreciation of God’s forgiveness.

“In the year when the children turn ten (Year Five), they are prepared to celebrate more fully the Sacrament of Penance with individual confession and absolution (the first rite). This builds on the work of the previous year as they take the second step and learn in greater detail what it means to examine their conscience.” Archdiocese of Brisbane Sacramental Policy 2015. The sacrament will be celebrated with the priests spread out around the sanctuary of Sacred Heart Church Rosalie.

Thanks to the parents for their ongoing work in the formation of their children in the faith.

Transition: Sadness all round last week. Parish secretary Linda is going to head south at the beginning of next year to be closer to family. Jubilee parish is extremely grateful for her bright reception and creativity with newsletters and the like. The good news is that Linda is with us until the year’s end so we’ve time to enjoy her presence. It also gives us valuable transition time to advertise and interview.

During December there will be time for tributes and farewells.

Cardinal Pietro Parolin arrives in Glasgow on Monday for COP26 (CNS/Phil Noble, Reuters pool)

As the United Nations Climate Change Conference began, Pope Francis and Cardinal Parolin urged world leaders to take action in stemming the adverse effects of climate change. The Pope called on Christians to pray “so that the cry of the Earth and the cry of the poor might be heard”.

Cardinal Parolin, Vatican secretary of state, was leading the Holy See delegation to the COP26 summit. The need to address climate change is a “cultural challenge to promote the common good and a change of outlook that will set human dignity at the centre of every action”.

“In the words of the appeal signed by the religious leaders: ‘We have inherited a garden: we must not leave a desert to our children,’ “Cardinal Parolin said, quoting representatives who gathered with the Pope at the Vatican in early October to rally support for real action.

Advent Retreat and Reflection Day Mary Mother of Mercy Church & Community Centre 9am for 9.30am start. Finish by 3pm. Saturday 4 December 2021

As we journey through Advent, you are invited to take some time in silence and quietude, to prepare for the Feast of the Incarnation. Drawing on the words from John’s Gospel 1:1-18 (Gospel reading for Christmas Day), “In the beginning there was the Word... In the Word was life...”, and Psalm 139:13-16 “For you created my innermost being... all the days ordained for me were written in your book...” we will spend a day in creative reflection, pondering our true identity in God – we are God’s glorious creation, in whom God delights. During the course of the day, there will be opportunities for communal prayer, quiet reflection, and meditative walking. We will also engage in a reflective creative process to create a take home personal hand labyrinth as a tool for your own continuing meditation and reflection. A donation of \$25 is invited to cover the cost of morning tea and supplied craft materials. Please BYO lunch, water bottle, hat, and sunscreen, plus a journal and pen (optional).

Year 5 Camp

Our Year 5 students have had three enjoyable days undertaking outdoor learning activities at Mapleton this week. It was great to hear the students have had positive interactions with each other, and the school and camp staff there. Camps provide really good opportunities to get school students to learn and work together in a different context, to challenge them achieve goals and build resilience and collaboration skills. Thank you to the staff who spent time away from their own families to care, encourage and support the students during this time.

World Teachers' Day- Thank you!

On behalf of the staff of St Joseph's we offer our sincere thanks to the St Joseph's P&F Association for the lovely refreshments and meal for **World Teachers' Day**. The support and encouragement of our teachers by the community is very much appreciated.

Gloria

Glory to God in the highest,
and on earth peace to people of good will.
We praise you, we bless you,
We adore you, we glorify you,
We give you thanks for your great glory,
Lord God, heavenly King, O God, Almighty Father.
Lord Jesus Christ, Only Begotten Son,
Lord God, Lamb of God, Son of the Father,
You take away the sins of the world,
have mercy on us;
You take away the sins of the world,
receive our prayer;
You are seated at the right hand of the Father,
have mercy on us.
For you alone are the Holy One,
you alone are the Lord,
you alone are the Most High, Jesus Christ,
with the Holy Spirit, in the glory of God the Father.
Amen.

Last week our Year 6 Love students had the most wonderful time at Tangalooma. The many and varied activities were very exciting and allowed for students to celebrate their final camp together, before they head off to different high schools. The opportunity to learn on such a beautiful island was very special and made up for not being able to go to Canberra. With activities like dolphin and fish feeding, snorkelling around the Tangalooma wrecks and sand tobogganing being favourite experiences for all. The students also learnt so much about caring for our environment, in particular our marine environment. The opportunity to bond and enjoy time with friends, some who have been together since Prep was also very important.

Apostles Creed

I believe in God, the Father almighty,
creator of heaven and earth, and in Jesus Christ,
his only Son, our Lord, who was
conceived by the Holy Spirit,
(all bow)
born of the Virgin Mary, suffered under
Pontius Pilate, was crucified, died and was buried;
he descended into hell; on the third day he rose
again from the dead; he ascended into heaven, and
is seated at the right hand of God
the Father almighty; from there he will come to
judge the living and the dead. I believe in the
Holy Spirit, the holy catholic church, the
communion of saints, the forgiveness of sins,
the resurrection of the body, and life everlasting.
Amen.

WELLBEING WEEK:

This week – has been our St Ambrose's Wellbeing Week. This is a week which we devote to every term, to promote Health and Well-being for all members of our community – families, staff and students. It incorporates a variety of activities to promote a healthy mind, body and spirit. Some of the strategies and activities we promote will be:

Meditation Monday – Being a Catholic School, prayer and worship contribute to our Religious life. Meditation is a type of mental prayer. After first break, our Pastoral Group led the school in a 10-minute Catholic Guided Meditation exercise.

Tech Awareness Tuesday – Technology is deeply embedded into our everyday life, but how do we use it respectfully, safely and place boundaries around it? The website “e-Safety Commissioner” provides tips on how to manage technology. At school we will be discussing cyberbullying. Years 3-6n students will listen to a talk from “Think You Know”.

Wow Moments Wednesday – In classrooms and as a staff, we will reflect on the “Wow Moments” of achievement thus far. This is a day of recognition and celebration.

Thanksgiving Thursday – Gratitude has been psychologically linked with mental and physical wellbeing and a deeper spirituality. This in turn, leads to a deeper sense of happiness. Classes may go on a Gratitude Prayer walk and reflect in their Gratitude journals.

Fun, Fitness and Fruit Friday – We are all aware of the physical benefits of daily exercise and a healthy diet. Staff and some students will lead physical activities and promote some ideas for healthy eating, whilst having fun.
