

VOLUNTEERING AT JUBILEE

Jubilee Parish relies on the assistance of a large team of volunteers in many ministries including reading at Mass, serving at the Altar, music, planning liturgy, marshalling, preparing the church for Mass and many others.

If you are interested in volunteering in the parish, please talk with one of the volunteers you see at Mass who can put you in touch with the volunteer coordinator and Safeguarding representative for your local church community.

Volunteering doesn't need to take up a lot of time and is a rewarding way to get involved and help shape your faith community. All volunteers are required to register with the Archdiocese and undertake online Safeguarding training designed to protect the wellbeing of the community served. If you have any questions, please see one of the volunteers you will see at Mass.
